Meet our Students

“I love that my course is online - it made things much more flexible! It was great to work with others and hear about their experiences. I’ve been able to apply what I’ve learned to my day-to-day job, as well as the theory we covered in class.”

JOHNATHON TRAINOR
LEVEL 5 CERTIFICATE IN LEADERSHIP
AND MANAGEMENT (ONLINE)

“I received great support from my lecturers and made many friends along the way. I’m planning to continue my studies at NWRC with a HLA in Business and Enterprise. The Access course gave me the confidence to follow this path and I’d recommend it to everyone!”

KAMIL KORATOWSKI
ACCESS DIPLOMA IN COMBINED STUDIES

“I enjoyed learning make-up techniques, nails, and pedicures. Finishing my course has made me feel more confident in my skills. I have already enrolled to return in September for my Level 3. I would like to thank my lecturer Linda and my friends for being so supportive.”

GHADEER FATOUH
LEVEL 2 DIPLOMA IN BEAUTY THERAPY

“I travelled all over the world with work and I wanted to learn how to make dishes I couldn’t find locally. The Level 2 course appealed to me because it was one day a week, which fit around my full-time job running my B&B. Learning this elsewhere would cost a fortune and you wouldn’t get the 1:1 support or access to facilities you get here.”

The Safeguarding Team can offer a range of support to Young Adult Carers whilst they are studying at NWRC.

We are aware that every student is different and every student has different needs, therefore the support that is given will be person-centred and individual.

A support plan will be completed with the student, so the appropriate provision is put in place.

How we can help:

- Liaise with your curriculum team and other departments
- Provide pastoral support with college and home related support needs
- Signpost and refer you to local external agencies for specialist support

For more information contact:
safeguarding@nwrc.ac.uk

Health and Wellbeing

We provide comprehensive and tailored support services to enable students who are struggling to overcome the barriers they face to their education and learning.

We have in place a dedicated team of committed Student Wellbeing Officers who provide information sessions, workshops and a Listening Ear service to support you during your time at college.

Widening Access and Participation

Our aim is to improve wellbeing for everyone by providing academic pathways which are economically viable and lead to employment.

The collaboration with the Universities is allowing 'Access' to Higher Education for adults who were previously made redundant, or change career direction, the unemployed or those who hadn't considered progressing in education to access both Full and Part-time education allowing them to rethink their educational pathway.

Our Careers Academy has an inclusive ethos supporting the Widening Access and Participation Plan and 'Access to Success' with the Widening Access and Participation Officer working with disadvantaged communities and delivering the 'Inspire' programme.

Erasmus Funded Programmes

We also offer a number of other significant Erasmus funded programmes, which provide students with the opportunity to train and study abroad.

We understand that being involved in international projects can enhance innovation. Research shows that student mobilities increase life experience of travel, which can greatly enhance learning.

Email: **international@nwrc.ac.uk**

Equality

The College is committed to fulfilling its responsibilities under Section 75 of the Northern Ireland Act 1998. We promote equality of opportunity among all of our staff and students. We actively seek opportunities to promote equality between recognised groups with a view to have an inclusive environment where everyone feels welcome.

SENDO

The Special Educational Needs and Disability (NI) Order 2005 (SEND0) came into effect on 1st September 2005. The principle behind the further and higher education sections of this legislation is that people with disabilities should have the same opportunities as others wherever possible within education.

The College has been proactive in the area of equality and will continue to explore ways of facilitating students to maximise their learning experience.

Enhanced Access NI Check

All students applying for a course that requires work placement in regulated activity will be required to complete an Enhanced Access NI check.

The College is committed to processing Criminal Record Checks in accordance with the Access NI Code of Practice which is available on the Access NI website or alternatively a copy can be requested from Student Services at the College.

It is important to note however that the conditions of a student's offer are subject to the satisfactory checks and assessment having been complete in line with the NWRC Policy on the Disclosure of Criminal History available online **nwrc.ac.uk/policies**.

AccessAble

Applicants with a disability are encouraged to view our AccessAble guides at **www.accessable.co.uk**, which provide important accessibility information on College facilities at each campus location.

Disclosure of Criminal History

NWRC actively promotes equality of opportunity for all and welcomes enrolments from students with criminal convictions. However, in order to manage any risk, you must tell us about any unspent convictions you have. You should do this by declaring on the colleges enrolment form.

Certain courses require you to consider spent as well as unspent criminal convictions. In such instances, you must disclose all past offenses as it may impact on your career progression.

As part of the application procedure a Safeguarding Assessment process is mandatory for all students that have disclosed previous and or pending convictions. The College would like to confirm that engagement in this process does not automatically restrict a student from securing a place within the College.

Applicants that disclose a criminal history will be required to complete a Safeguarding Student Criminal Offence(s) Disclosure Form.

If previous convictions are not disclosed at the point of admission and the College learns or is notified retrospectively this may result in a student being required to leave the course. Depending on the course, there may be occasions whereby a current/previous conviction may preclude a student from engaging on a particular course.

When this is apparent, the College shall discuss this with the student in full and alternative options and alternative courses of academic study will be provided via the College Career's Academy. Call **028 7127 6111** or email **careers@nwrc.ac.uk**

Higher Level Apprenticeships

A Higher Level Apprenticeship (HLA) is a unique work based programme, which enables participants to earn while they learn, and gain a nationally recognised higher-level qualification.

Successful candidates will be employed in a company relevant to their chosen profession to gain valuable industry experience.

This experience will feature a close mentoring relationship and academic support provided by NWRC as they progress through their higher level qualification.

The HLA programme is widely recognised as the best combination of on-the-job training and employee higher level study available. The programme offers employees the opportunity to gain a Level 4 or Level 5 qualification.

In addition, the programme aims to improve business practice by developing a progressively skilled workforce essential for today's competitive economic climate.

To find out more about HLAs, visit: nidirect.gov.uk/articles/higher-level-apprenticeships
